Message from Managing Director

We take this opportunity to introduce ourselves as one of the leading and most economical export oriented garments industry of Bangladesh, which is equipped with most modern machineries. The approved capacity of our project is 80000 (Eighty thousand) pieces of Knit wear per day. A factory profile is enclosed in this respect for our information.

Most highly skilled and well-qualified personnel are associated with us who possess long experience in the field and that is why, they are sometimes called the pioneers of garments industry of Bangladesh.

To facilitate our exports, we are registered and enlisted with respective authorities including textiles, Custom, BGMEA and export promotion Bureau under ministry of commerce.

We well come you to visit our factory with the assurance that you will certainly be satisfied with our performance and working environments. However, prior notification for such visit will be highly appreciated.

Sincerely Yours,
Managing Director
Taharat Composite Ltd.

Our Vision.....

- ▶ Our VISION is to gain confidence and trust of our customers through manufacturing and supply of conformity.

Our Mission.....

- ▶ Our MISSION is to be become a leading garments manufacturer in Bangladesh in every aspect of its business and in delivering its obligations as a good corporate organization to its customers, employees, owners, public and to the environment.

Our Belief.....

- ▶ We believe that our customer must stand at the center of all our activities.

Our Focus.....

- ▶ We focus on production of top quality garments in a fully compliant environment and meeting timely delivery.

Our objectives.....

- ▶ To confirm and surpass the customer expectation, improve productivity, minimize rejection, development of employees to meet future challenges and continual improvement.
